

Updated procedures and protocols. We have filed our plan with the State Website NY Forward, and have a detailed copy at the store. As always, please do not hesitate to reach out with any questions.

Cleaning:

1. No one has been in the space for several months, we have had it professionally cleaned.
2. We have washed the dresses, dishes and cleaned all the surfaces and accessories in the shop.
3. We have installed a UV light to be run periodically.
4. We will remove some of the dresses, shoes and accessories to ensure that a clean batch can be brought in at any time.
5. High touch surfaces will be wiped down regularly.

During the sessions:

1. At the outset, we will limit to 6 children per Princess Play or Mini Camp session (We will work with birthday families on an individual basis.)
2. All bookings are contactless and done beforehand through our booking portal or over the phone.
3. We know some parents will be more comfortable staying, with capacity limitations we will ask that each accompanying adult registers for the session as well for a small additional charge.
4. Upon entry people will confirm that they are not sick or having any symptoms.
5. We will have sanitizer available throughout the store and encourage children to wash their hands upon arrival and/or before tea.
6. We will eliminate make up for the time being and replace with tattoos, craft or something of the like.
7. We will wear gloves at the tea service. And when possible we will use food that is individually wrapped.

Employees:

1. We will confirm that employees are not or have not been sick. We will take temperatures upon arrival each day.
2. We will wear gloves during tattoos and food service.
3. Masks will be kept on hand and worn as recommended.
